Diocese of Wheeling-Charleston

Diocesan School Board

April 12, 2015

Dear Members of the Catholic Community of West Virginia:

As members of our Diocesan School Board, we work diligently with our schools to maintain Catholic identity and academic excellence. We consider it part of our mission to spread the good news about Catholic education – it is alive and well in West Virginia! We are so proud of our schools, and what the children who attend them accomplish every day!

We also work to make our schools affordable. Last year, \$850,000 in tuition assistance was distributed from the Diocesan Tuition Assistance Program (TAP). Additionally, our schools and the communities and parishes that support them have other opportunities for financial assistance.

The Diocese of Wheeling-Charleston maintains 20 elementary schools and seven high schools throughout the state. More than 5,600 elementary and secondary students are enrolled and instructed by more than 700 teachers, principals and other support staff. Thirteen counties are served by our Catholic schools and, if considered a single system, our schools would have the 15th largest enrollment of all school systems in West Virginia.

The Catholic identity of our schools is of paramount importance. Our schools are grounded in Gospel values. Through classrooms, sports activities, academic assemblies and service projects, Gospel values are being lived and demonstrated by the entire school community. The curricula includes daily religion classes, prayer throughout the day, regularly scheduled Masses, student and faculty retreats, service organizations and involvement in parish life. Each year, our students contribute thousands of service hours through their initiatives.

West Virginia Catholic schools maintain a high standard for academic excellence. Our students are recognized with numerous awards at the local, county, state and national levels. At the high school level, the class of 2014 was offered more than \$14 million in college scholarships, had 29 national merit semifinalists, nine presidential scholars and members enrolled in more than 60 different colleges and universities. Our grades K through 8 students exceed the national average in both reading and math. Additionally, in many of our elementary schools, we have added pre-kindergarten programs for 3- and 4-year-olds. We feel giving students (and their parents) a taste of Catholic education early on sets the stage for the future.

Won't you join us? Please consider enrolling your child or grandchild in Catholic school. All of our schools are accepting new students for the coming school year.

For additional information please contact any member of the Diocesan School Board, your pastor, your principal, the Diocesan Office of Schools at 1-888-434-6237 or visit the their website at www.wvcatholicsschools.org.

Sincerely,
